

Holiday Card Exchange

This year we will be participating in a holiday card exchange. Each child's card will be sent to another classroom somewhere around the United States, North America, and possibly elsewhere. In turn, our class will be receiving cards as well. The theme for our cards is stars (trees, cookies, ornaments, etc.). You can see some examples on Pinterest at *Projects by Jen*. You will create your design on the front and write a message inside (Greeting suggestions on the backside). You may choose any kind of material to decorate the front and inside of your card. Remember, however, your card should be able to lay flat in an envelope. You will also want to do your best work as it is being seen somewhere else around the world! Cards are due on or before Friday, December 1.

Have Fun,
Gladstone's Second Grade Teachers
