It is with great pleasure that the Gladstone staff welcomes you to Gladstone Elementary School. You will find that the staff is outstanding and eager to work with you. Children receive an excellent instructional program in a warm, caring environment.

The Gladstone Staff looks forward to parents' active participation in the school and all of the activities. There are many opportunities during the school year for parents to enjoy student programs, become involved in classrooms, and work in partnership with teachers to provide a quality educational program.

Parents are encouraged to become involved in the Parent Teacher Association (PTA) and/or Gladstone School Site Council. Both groups are active in overseeing many additional programs students have the opportunity to experience. Our school newsletters will showcase these events and meetings.

Sincerely,

GLADSTONE UNIFORM POLICY

DRESS FOR SUCCESS

Over the years, Gladstone parents and staff have agreed that students should always “Dress for Success.” Our school is a place for learning, and a dress code promotes attention to academics. In recent years, Gladstone has expanded its dress code to include denim jeans/skirts and also allowed Gladstone shirts to be allowed any day of the week.

This year, we are relaxing the mandate to dress in uniform. This said, Gladstone Elementary encourages all of our students to continue to Dress for Success in school colors and styles – free from logos and writing. Our recommendations are below. Please note that the Bonita U.S.D. dress code will still be strictly enforced – highlights of which are also listed below.

At Gladstone, we encourage all Griffins to wear school colors:

- Blue (any shade, including denim)
- Yellow/Gold (this includes Khaki)
- White
- Patterns (plaids and stripes) in school colors.

Students are encouraged to wear spirit T-Shirts, school polo shirts, or sweatshirts. Clothing should be free of logos and writing. Skirts and shorts should be of appropriate length.

The following items are prohibited at Gladstone, per Bonita U.S.D. Dress Code.

- Hats (except as required through medical exemption)
- Oversized Jewelry
- Body Tattoos (including temporary tattoos)
- Hair dyed an unnatural color
- Mohawk hairstyles
- Ripped jeans and shirts
- Open-Toes Shoes and Flip-Flops
- Clothing with inappropriate language and/or anti-school statements
- Tank Tops with shoulder straps smaller than 1” (including spaghetti straps)
- The complete District Dress Code is included in the student handbook.

Families will no longer be required to attend Opt-Out meetings for uniforms. However, parents should be advised that students in violation of the district dress code may be required to wear “loaner” clothes during the day, be required to go home and change their attire, and/or may receive disciplinary consequences for repeated violations of district dress code.

All students are expected to follow the district dress code and grooming guidelines.

BONITA UNIFIED SCHOOL DISTRICT Dress and Grooming Guidelines

The Board of Education subscribes to the philosophy that students will be provided with a quality education in a safe, secure environment. The Board believes that school dress also significantly influences behavior. Further, student appearance should be neat, acceptable, and in keeping with the activities at the particular school, while at school, or any school activity.

The basic responsibility for the grooming and dress of the student rests with the parent. The school must assume that parents have furnished guidance to the students in this manner. However, school personnel cannot avoid responsibility for making judgments regarding the appropriateness of dress and grooming in the school setting when health and safety factors are involved.

The principal at each school in the District, or the designated representative, is hereby authorized and directed to send home a student or require parents/guardians to provide a change of clothing for any student who has failed to prepare properly for school as set forth in this policy. Students who persist in violating the following general standards may be suspended in accordance with the law.

Standards for all students include:

- All students are to give proper attention to personal cleanliness, modesty, and safety in dress and grooming.
- Clothing is to be neat, safe, clean, and non-distractive to the learning environment.
- No student is permitted to attend school if their appearance is disruptive to the operation and administration of the educational process.
- Certain types of clothing that have the potential to cause disruption of school activities will be prohibited.
 - A. The Board believes that students should have a meaningful degree of personal freedom and should also accept reasonable limits and regulations consistent with a school's responsibility to provide opportunities for full and beneficial educational programs.
 - B. As an essential element of its function, a school should promote tolerance for a wide range of people and ideas, including, where appropriate, an understanding of the actions and appearance of those students who do not disruptively or inappropriately exercise their right and need to be individuals.
 - C. The District recognizes that student appearance is important to the student, to their institution, and to their community because of its dynamic, communicative nature. Standards should be established which are generally accepted by the larger community as modest, clean, and in vogue. Student safety must always be the foremost concern and the predominant criterion for the acceptability of student dress.
 - D. Clothing or articles of clothing or jewelry which may provoke others to acts of violence or be used as weapons, including but not limited to professional sport's team attire, gloves, any type of headwear, shoestrings, wristbands, belts, belt buckles, chains, and any other gang identified items are prohibited.
 - E. Clothing and jewelry shall be free of writing, pictures, and any other insignia or indications which are profane, obscene, sexually suggestive, or which advocate racial, ethnic or religious prejudice, tagging, gambling, violence, the use of drugs or alcohol or any other illegal activity.
 - F. Only unaltered school-affiliated headwear or medically/religiously required hats, as approved by the principal are allowed.

- G. Shoes must be worn at all times. Thongs, backless sandals, and gang related boots are prohibited.
- H. Oversized clothing, including oversized white t-shirts or baggy pants is prohibited. Pants/shorts must fit at the waist without requiring alteration. Shorts to the knee or longer worn with white socks or bib overalls (straps buckled at all times) are prohibited.
- I. Gang associated red or blue belts, jackets, bandanas, or dark glasses that are not medically prescribed are prohibited.
- J. Clothing shall be sufficient to conceal undergarments and shoulders at all times. See-through or fishnet fabrics, halter tops, muscle shirts, tank tops, tube tops, spaghetti strapped clothing, off the shoulder or low cut tops and bare midriffs are prohibited.
- K. Other inappropriate clothing or accessories, including body marking or piercing, determined by the school administration to be a deterrent to safety or to detract from the educational process, are prohibited.
- L. All students must conform to the *Dress for Success* policy (Policy 5441) expectations unless given a waiver by the site administrator.
- M. The Board accepts the obligation to enforce reasonable standards based, in part, on the declaration of the California Administrative Code which provides, "A pupil who goes to school without proper attention having been given to personal cleanliness or neatness of dress may be sent home to be properly prepared for school, or shall be required to prepare himself for the school room before entering."

Nothing in this policy is to exclude provisions for reasonable and necessary dress and grooming regulations for special classroom or extra-curricular activities. The principal of each school shall be responsible for the supervision of the enforcement dress and grooming regulations in accordance with adopted standards and within the limitations of the guidelines of district regulations.

| 2nd Offense | Change clothes and parent contact |
| 3rd Offense | Lunch Detention and parent conference |

Parents should always communicate with teachers if they wish to bring an item in for a special occasion. No foods can be distributed to students without prior consent from the classroom teacher and/or the school principal. Birthday celebrations for your child are discouraged as they detract from the school environment. There are no deliveries of balloons, flowers, cupcakes, etc. Recognition of a birthday is better done by having your child pass out a decorative pencil or eraser, sticker, or small novelty item.

Please consult with your teacher if you need further guidance.

- Homework is a factor in grading. The frequency and length of assignments outside of class may vary according to individual student needs and grade level.

- Games, toys, valuables, sports equipment, live animals, large amounts of money and other personal items not related to school curriculum are not permitted at school.
- Students may only bring these types of items to school or school-sponsored activities with prior written permission from the teacher/principal.

E-Readers and Personal Tablet Devices

E-Readers are defined as devices for the purpose of reading e-books (ex: Kindle or Nook). A Personal Tablet Device is an electronic device, such as a iPad, iTouch, or Samsung Galaxy, that may also be used for the purpose of reading, instructional practice and/or taking Renaissance Place quizzes.

Gladstone Elementary recognizes that e-readers and tablets are growing in popularity and are increasingly being used to support literacy instruction and provide motivation to many students to read. An exception to the "No Electronic Devices" policy will be made for E-Readers and tablets for the purpose of reading and instructional activities. These devices should not have cellphone capability for the purpose of sending text messages or phone calls.

If a parent allows a student to bring an e-reader or tablet, the following regulations apply:

- The student will comply with the BUSD Acceptable Use Policy and will not use the e-reader for any purpose other than for reading age-appropriate content already downloaded on the device.
- The student will assume responsibility for the e-reader or tablet while on school property and will not loan the e-reader to another student in the school or during school bus travel whether to/from school or on field trips, or leave the e-reader unsupervised (on desk, in hall, on school bus, etc.) at any time. The school is not financially responsible for the loss or damage to the e-reader while on school property or at a school related event.
- The student will not access any wireless network for use with the e-reader. Books must be downloaded onto the e-reader away from the school campus. Students may access the network - with teacher supervision - to complete Renaissance Place AR and STAR Reading Quizzes.
- The student will provide the e-reader to school personnel upon request at any time.

If a parent allows a student to bring an e-reader to Gladstone Elementary, they will sign an E-Reader Use Agreement that acknowledges the conditions listed above. The e-reader cannot be brought to campus without a signed form. If a student is found in violation of the above rules, the privilege of bringing an e-reader to campus may be revoked by the teacher or principal.

Gladstone School Behavior Plan

At Gladstone School, discipline problems are few. We are a team working together to make the rules consistent, well known, and understood by everyone. All students know the rules and they are enforced in a kind and fair manner by Gladstone personnel.

Behavior Expectations

The Gladstone Staff collectively developed a positive discipline plan. The expectations are as follows:

- Gladstone Students will always:
 - ❖ Treat one another with respect and kindness.
 - ❖ Follow instructions given by Gladstone staff.
 - ❖ Keep their hands and feet to themselves to ensure safety.

Teachers, in turn, have developed their own classroom rules based on these overall school expectations.

Discipline Plan Agreement

As part of the registration packet, every student and parent is required to sign the Gladstone Discipline Agreement. This ensures that everyone is aware of the behavioral expectations and consequences. Make sure to read this document carefully with your child.

Good Griffins—Griffin Treasure Chest

- ❖ Students are encouraged to be "caught being good above and beyond" at school.
- ❖ This Good Griffin ticket may be used for special prizes & privileges from the Treasure Chest that will be open at recess twice per month on Wednesdays - beginning on Wednesday, September 17th. It is located next to the student store. Prizes and privileges cost different numbers of Good Griffin slips.

How do you get Good Griffins? All staff members may award students in grades 1-5 Good Griffins for making good choices at school, going above and beyond what is expected and standing out by doing kind things for others.

NOTE: Teachers that have their own reward program in class (society money, raffle tickets, marbles, color cards, etc.) will establish the "cost" of a Good Griffin and students can cash in their classroom reward item to purchase Good Griffins in their classroom from their teacher. For example, a 4th grade teacher could charge \$200 in society money for a Good Griffin, another teacher may charge \$500 in society money for a Good Griffin. Teachers that use raffle tickets may choose to trade three raffle tickets for a Good Griffin. It is up to the teachers to assign a "price" for the Good Griffin.

Items that will be available at the Griffin Treasure Chest may include:

Number of Good Griffins	Item	Frequency of Award
20	Raffle for a Yearbook	Once a Trimester
15	Double Recess on Spirit Day	Monthly
15	Homework Pass	When Earned
15	Sit with your teacher and eat lunch at school	When Earned
5	Raffle for Lunch with your Teacher	Once a Trimester
5	Raffle for Lunch with the Principal	Once a Trimester
1	Otter Pop, Other Treasure Chest Items	When earned
2	Higher Value Treasure Chest Items	When Earned
3	Highest Value Treasure Chest Items	When Earned
Other items and values to be added		

Behavioral Consequences

- Students exhibiting inappropriate behavior are counseled by the teacher. If counseling is ineffective, parents will be notified. Continued poor choices from a student will result in a student being seen by the principal.
- If behavior is deemed severe by school staff, a principal visit may be warranted on a first offense.

Pick Up Zones for students after school.

At the 2:05 and 2:50 dismissals, parents are welcome to park in the Shellman Ave parking lot or on Gladstone Street in front of the Kindergarten playground. Please remember that the Shellman parking lot is closed to incoming and oncoming traffic between 1:50 and 2:10pm. This allows us to have maximum safety for students riding the bus and students with special needs. If you ever have a question regarding where to park, feel free to email or call the school so we can help you choose an appropriate location.

- A parent's release form and physician's statement must be signed and on file for any medications. (Download the form on the school web site)
- Whenever a student has a contagious disease or has a broken/sprained limb requiring a sling or cast, the school nurse **MUST** be contacted before the student may return to class. A doctor's note is required for a student to return to school activities.

Administration of Prescribed Medication for Students

Education Code Sections 49423 and 49423.5 state that, "Any pupil who is required to take medication during the regular school day, medication prescribed for him/her by a physician, may be assisted by the school nurse or other designated school personnel if the school district receives (1) a written statement from a physician detailing the method, amount and time schedules by which such medication is to be taken and (2) a written statement from the parent or guardian of the pupil indicating the desire that the school district assist the pupil in the matters set forth in the physician's statement."

- Authorization forms are available at all school offices or on the school web site.
- Both the medical form and medication are to be taken to the school office by the parent/guardian, not by the child. Students are not permitted to carry medication to or from school.
- Please ask your pharmacist to put the prescription in two separate containers if the medication is to be used both at school and at home.

We suggest that you give the "Authorization for Medication of Child by School Personnel" form to your physician so he/she will have it in your child's medical file when needed. We are sincerely interested in helping you and your child. If the need arises that your child requires medication during the school day or you have further questions, please phone the school office at **(909) 971-8204**. Emergency Procedures

Emergency Information

- It is extremely important that the information you provide is accurate and up-to-date.
- If any information changes (phone numbers, addresses, names, etc.) you must notify the office.
- This information is confidential and necessary so that we can contact you in the event of an emergency.
- Anyone picking up a student from the school must be on that student's emergency information contact list. No exceptions. I.D. may also be requested.

Emergency Pick Up

In the event of an emergency, when you must pick up your child, it is essential that you follow these steps:

- Parents report to the ASRD gated playground in back of school (or the kindergarten gated playground) located at the front east side of the campus.
- Parents will be directed to their student.
- Students will be wearing an identification badge around their neck.
- There will be a two-step checkout:
 1. Parent will sign the badge and check out with a staff member and the staff member will keep the bottom half of the badge.
 2. The parent and child will show the remaining part of the badge to leave the gated area.

These critical steps ensure the safety and accountability of each of our students.
