All libraries closed July 4

Bonita Unified School District, Summer Library Schedule 2014

Use the *Home Connect* for Accelerated Reader (AR)

Ask a teacher or principal to show you how to set up Home Connect. It will send you an email every time your child takes an AR reading test so you can celebrate their success and know what they are reading.

Steps to Setting Up Home Connect:

1. Log on to the District web site: do.bonita.k12.ca.us
2. Click on *Home Connect—Ren Place* on the right side under Resource Links
3. Enter your child's AR log information (your student has this information)
4. Click on *email set up* on the top right of the page
5. Enter your name and email address
6. Click *Spanish* (if you want the email in Spanish)
7. Click *Add*

Then any time your child takes an AR quiz, you will receive an email with the results. Celebrate their successes in reading.
