## Gladstone Elementary

### Open House

Thank you all for joining us for a great evening! The students worked very hard on their projects and were proud and excited to show you everything that they accomplished this year. I'm not sure I can even name a favorite; I love them all! :)

Thanks once again for supporting our children, school, and classroom program day in and day out. It means a lot to our students to know that school is important and valued.

# The Return of SDHS

## "Gladstonians!"

Approximately 30 celebrities (former Gladstone students) returned to our campus on Friday in full cap and gown and "marched down" our halls as we whooped and hollered in their honor!. After the parade, we had an all school assembly where each graduate introduced him/herself and either told us his/her favorite part of school and/or what s/he will be doing after graduation. It was a wonderful experience to see our former students because one day we'll be walking in their footsteps, too! :)
