

How to Take A Story Quiz

Step 1: Read the questions and answer choices first. This will give you an idea about what you will look for.

“Highlight” the important words (Ex. not, best).

Step 2: Read the story or selection.

Step 3: Say “What just happened?” or “What did I just read?” If you don’t know, **reread!**

Step 4: Answer the questions. If you don’t know the answers, go back and **reread!** (Remember! They gave you the answer. You just have to find it!)

Step 5: Now, check your work!
